A BILL FOR

An Act to amend chapter three hundred twenty-one (321), Code 1950, relating to regulation of registration fees of trucks in storage for part of the licensed year and to provide for penalty for violation thereof.

Be It Enacted by the General Assembly of the State of Iowa:

1 Section 1. Chapter three hundred twenty-one (321),
2 Code 1950, is amended by inserting therein the following
3 new section:

4 "Owners of trucks which are not in use in January,
5 February and March, which are put in storage, shall be
6 required to pay three-fourths ($\frac{3}{4}$) of the yearly
7 registration fee and overload fee as required by law.

8 "The truck owner shall be required to deliver up to
9 the county treasurer such truck registration and license
10 plates and the name and address of the place where such truck
11 will be stored. Upon failure to comply with storage
12 regulations herein established, the owner shall be required
13 to pay the full year license fee."

EXPLANATION OF H. F. 524

This bill will provide for an adjustment of fees for trucks which are not used for the full year. Many short wheel base gravel trucks are not used during the first three months of the year and it is unfair that such trucks be required to pay a full annual registration fee.
